

ESPENHOF SILVANER
RHEINHESSEN TROCKEN
2016

This is fresh and juicy with some fruit salad aromas, but it has also got some structure and length for a basic quality wine. Drink now.

ESPENHOF RIESLING
RHEINHESSEN TROCKEN
2016

Fresh apple and tart peachy fruit.
Light and crisp with a citrusy finish.
Drink now.

ESPENHOF RIESLING
RHEINHESSEN FLONHEIM
TROCKEN 2016

Youthful and still leesy, but with the sleek, wiry body of a long-distance runner. The herbal and mineral complexity at the finish is rather radical. Better from 2018.

ESPENHOF RIESLING
RHEINHESSEN HERZ & HAND
RIESLING TROCKEN 2016

In spite of a bright, fresh personality this has a ton of herbal character and some real power. The tannins give the long finish plenty of power. Best from 2018.

ESPENHOF RIESLING
RHEINHESSEN LA ROCHE
KABINETT 2016

You could mistake this for a Mosel Kabinett because of the funky character, bright citrus and the crisp acidity at the long finish. Better from 2018.

ESPENHOF
GRAUBURGUNDER
RHEINHESSEN LA ROCHE
TROCKEN 2016

The green bell pepper note makes this a little one-sided and the finish is also slightly tart. This is a long way removed from what most people associate with pinot gris. Drink now.
